AND CULTURES OF ASIA AND AFRICA
(ILCAA)

TOKYO GAIKOKUGO DAIGAKU

4, NISHIGAHARA, KITA-KU, TOKYO 114

Explanatory Remarks

1. This is a KWIC (=Key Word In Context) index to the Sanskrit texts of the *Pramāṇavārttikasavṛtti*, the *Pramāṇavārttikakārikā* (the chapter 2–4), the *Nyāyabindu*, the *Hetubindu*, the *Vādanyāya* and the *Sambandhaparīkṣā* by Dharmakīrti.

2. The Sanskrit texts and their abbreviation used here are the following:

- SV *Pramāṇavārttikasavṛtti*: R. GNOLI, *The Pramāṇavārttikam of Dharmakīrti, the first chapter with the autocommentary*. Roma 1960.
- PV *Pramāṇavārttikakārikā* (without the *Svārthānumāna*-chapter): Y. MIYASAKA, *Pramāṇavārttikakārikā* (Sanskrit and Tibetan). *Acta Indologica* 2, 1971/72, 1–206. [The chapters II, III of our ordering correspond to the chapters I, II of Miyasaka's edition]
- NB *Nyāyabindu*: D. MALVANIA, *ācārya-Dharmakīrti-kṛta-Nyāyabindor ācārya-Dharmottara-kṛta-tīkāyā anuṭīkārūpaḥ paṇḍita-Durvekamiśra-kṛto Dharmottarapradīpaḥ*. Patna 21971.
- HB *Hetubindu*: E. STEINKELLNER, *Dharmakīrti's Hetubinduḥ. Teil I. Tibetischer Text und rekonstruierter Sanskrit-Text*. Wien 1967.
- VN *Vādanyāya*: M.T. MUCH, *Dharmakīrtis Vādanyāya Teil I*. Wien 1991.
- SP *Sambandhaparīkṣā*, v.1–v.22: S.D. Shastri, *Vādanyāyaprakaraṇa of acharya Dharmakīrti with the commentary Vipanchitārthā of acharya Śāntaraksita and Sambandhaparīkṣā with the commentary of acharya Prabhāchandra*. Vārāṇasī 1972; v.23–v.25: H. YAITA, “Tarkarahasya kenkyū (1)”. *Naritasan Bukkyō Kenkyūjo Kiyō* 12, 1989, 75–98.

A number of five figures at the left side indicates the location of the key word in the basic texts. In the case of the SV, the NB and the HB, the first three figures indicate the page number, and the last two indicate the line number (for example, SV16026=SV 160,26; HB02314=HB 23,14; VN06110=VN 61,10). In the case of the PV and the NB, the second figure indicates the chapter number and the last three figures indicate the kārikā or sūtra number (for example, PV02232=PV, the *Pramāṇasiddhi*-chapter v.232; NB03015=NB, the *Parārthānumāna*-chapter sūtra 15). In the case of the SP, the last two figures indicate the kārikā number (for example, SP00015=SP, v.15).

3. In this index, sentences are artificially divided into word-units, although they involve phonetic fusion or union in the basic texts. Further, compound words are divided into their shortest constitutive elements (we use a hyphen to indicate that hyphenated elements originally form a compound word) with the following exceptions:

- 3.1. The prefixes *a-*, *dur-*, *niḥ-* remain undivided, irrespective of attachment to words or compound words.
- 3.2. Adverbs with *-vat* meaning “such as” are divided, although possessive adjectives, for example *śeṣavat* or *yuktimat*, are not divided. And terms such as a numeral+ *-dha/-vidha/-prakāra* remain undivided.
- 3.3. Compound words with the suffixes *-tā/-tva* or with elements *-bhāva/-bhūta* fundamentally remain undivided. For example: *kāryakāraṇabhāva/-bhūta/-tā*.
- 3.4. Compound words with *evam-*, *tat-*, *tathā-*, *para-*, *yathā-*, *su-*, *sva-* in the wordhead fundamentally remain undivided. For example: *evamjātīya*, *tadutpatti*, *tathākṛta*, *paratantra*, *yathārtha*, *yathāsvam*, *sujñānatva*, *svabhāva*.

- 3.5. Some compound words which are regarded as terminology remain also undivided. For example: *agnihotra*, *ayogavyavaccheda*, *arthāpatti*, *padārtha*, *paramārtha*, *prasajyapratīṣedha*, *viruddhāvvyabhicārin*, *samanantarapratyaya*, *saṃtānapariṇāma*, *sāmānyalakṣaṇa*, *svabhāvapratibandha*.
4. All terms including key words are fundamentally indicated as they stand. It means that key words can appear with their declensional and conjugational endings.
5. Those terms whose wordhead is subject to the Sandhi rules (for example, ° *d dhētu-*; ° *e 'pi*) are cited in their original form (for example, ° *d *hētu-*; ° *e *api*) for the sake of the proper ordering of key words.

Note:

When we published *An Index to the Pramāṇavārttikasavṛtti* two years ago, we wrote in the preface: “We promise the user of this index to revise it in a proper way and extend it further to the index of all works extant in Sanskrit of Dharmakīrti in the near future.” We are slightly content with having carrying out this promise to some extent.

This work, however, is quite a tentative one, and we must admit that there are a lot of errors and defects in this version. We would appreciate it very much if the user would point out any errors in this version so that we can make a better new version in the future.

At last, we would like to acknowledge Prof. Kazuhiko Machida, our colleague of ILCAA, for his useful suggestions about the general concept of the KWIC index. Without his kind help, we could not have published this work.

31. January 1996

MOTOI ONO / JUN'ICHI ODA / JUN TAKASHIMA
